

# Summer EOC Testing and Algebra 1 Boot Camp

Dear Parent/Guardian:

Your student may be eligible for summer EOC testing and/or Algebra 1 EOC boot camp. EOC results will be available electronically to schools the week of June 12<sup>th</sup>.

### ALGEBRA 1 – Students are required to pass the Algebra 1 EOC in order to graduate from high school.

1. If a student **earns a grade of C or higher** in the course and the **Algebra 1 EOC results indicate below level 3**, he/she may enroll in the Summer Algebra 1 Boot Camp. Your student will also need to retake the EOC exam.
2. If a student **earns a grade of D** in the course and the **Algebra 1 EOC results indicate below level 3**, he/she has the option to either remediate the course grade in summer school or may enroll in the Summer Algebra 1 Boot Camp. Your student will also need to retake the EOC exam.
3. If a student **earns a grade of F** in the course and the **Algebra 1 EOC results indicate below level 3**, he/she should repeat the course in summer school or during the 2017-18 school year, and retake the EOC exam.

### GEOMETRY, ALGEBRA 2, U.S. HISTORY, and BIOLOGY

Student’s scores from spring testing constituted 30% of the student’s grade. Summer Boot Camp will not be offered for these courses.

### Students may take a summer EOC exam for the following reasons:

1. The student needs to make up the EOC due to absence during spring testing
2. The student scored a level 1 or 2 on an EOC assessment and is seeking a scholar’s diploma. For more information regarding scholar’s diploma, please consult your student’s guidance counselor.

## BOOT CAMP
